

AMENDMENTS TO THE CLAIMS

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

Claims 1-56 (Canceled)

Claim 57 (Previously presented) A method for treating a gastrointestinal disorder in a mammal suffering from the disorder, the method comprising administering to the mammal a therapeutically effective amount of sildenafil.

Claim 58 (Previously presented) The method of claim 57, wherein the gastrointestinal disorder is characterized by motility disturbances in at least one of small intestine, colon and stomach.

Claim 59 (Previously presented) The method of claim 57, wherein the disorder is characterized by diarrhea or constipation.

Claim 60 (Previously presented) The method of claim 57, wherein the disorder is associated with diabetes.

Claim 61 (Previously presented) A method for enhancing cGNP in a gastrointestinal organ comprising administering an effective amount of sildenafil to a mammal in need thereof.

Claim 62 (Previously presented) The method of claim 61, wherein the mammal is a human.

Claim 63 (Previously presented) The method of claim 61, wherein the organ is stomach, antrum, pylorus or intestine.

Claims 64-76 (Canceled)
